2) Tuesday, October 31st, Costume Parade

This year October 31st falls on our in-person learning day, and we know that some students and families enjoy wearing costumes on this day. Our K-12 students will have the option to wear costumes in class on this day

Patrick and I will be hosting a costume parade on Tuesday, October 31st for all of our K-12 students.

- Students who are attending am classes are to line-up outside (or inside their classroom based on teacher discretion) at 11:20am
- Students who are attending pm classes can also line up at their classes for 11:30am.
- Grade 8/9 students can meet in their room.
- Grade 10-12 students can meet in the secondary rooms.
- We will start the parade - in room 101 and collect students as we parade down the hallways, towards the gym.
- Once in the gym, we will parade around the gym with music, take pictures and distribute treats.
- Anyone who is late can make their way to the gym.
- We are hoping to be finished around 11:40ish and the gym will be supervised by Patrick and I until the start of the next class.

As this is still an in-person learning day and Island ConnectEd is a K-12 setting we ask that families choosing to wear costumes adhere to the guidelines below.

- *Students must be identifiable and visible to ensure safety.*
- *Masks are not permitted. Face makeup is permitted provided the student is still identifiable.*
- *Costumes that depict violence, alcohol or drugs are not appropriate.*
- *Fake weapons are not permitted.*
- *Costumes that are provocative, sexual in nature or employ questionable props are not permitted.*
- *Costumes should not hinder a student's ability to participate in regular class activities, travel through the school and outdoor spaces safely.*

3) Lost and Found

If you recognize any of these items please come and pick them up by next Thursday.

4) Grade 10-12 Graduation Assessments

I would like to provide some information for our upcoming Provincial Assessments. Students need to write their grade 10 literacy, grade 10 numeracy and grade 12 literacy exams in order to graduate in the regular graduation program. Students only have to write the exams once.

***** Students who are required to take an exam have been sent an individual email.**
